NAVIT JTED Superintendent April 2008- to present; NAVIT JTED Ass't Superintendent July 2003 to April 2008; NAVIT JTED Principal July 2000 to June 2003. Coordinate all student CTE Programs that are offered in association with Northland Pioneer College and Gila Community College. **Previous State Board Committee Involvement:**

(please include the name of the Committee, dates served, and position if applicable)

Currently serve on Superintendent Huppenthal's CTE Advisory Council November 2012 to present; currently serve on ADE's Arizona Career Ready Stakeholder's Committee April 2008 to present.

**Why are you interested in this position?**

Serving in a CTE Administrative Capacity involves working with the member districts that are part of our consortium. I meet regularly with CTE Teachers relative to state and national certification opportunities for our students; consequently, I feel that being a part of this advisory would be extremely helpful as we conduct certification activities for both teachers and students.

**What do you think best qualifies you for this position?**

In addition to what I have already mentioned, I wish to state that our ability to reach students and help them be successful depends on the quality of our teachers, and this advisory position would help ensure my ability to have input on important decisions relative to CTE Certification. My district's partnership with business and industry along with our local community colleges also brings with it a different set of eyes and perceptions to the committee.

Please describe any civic organizations or projects in which you have been involved that you believe to be relevant to the position for which you are being considered for appointment:

I consider board service a civic duty. That is exemplified in my willingness to volunteer six hours per week in my church and my eight years that I served on my community water board.
